After that, socialize around with herbal teas and hot roasted coffee in our cozy lounge. Now we can check the box for giving ourselves some love this week, right?

Invite your friends or business colleagues , to indulge, mingle, celebrate , play, be entertained and spoil your pallet with exquisite culinary experiences . Make it a night to remember at *Sous la Rose*...

SOUS
LA ROSE

We believe you can never replace the inspiration of being surrounded by lots of books. So we have curated an admirable collection for our members.

SOUS
LA ROSE

An elevated atmosphere of old charm, our Library and Reading Room, are ideal for a quiet escape or informal meetings. And would work equally as well for playing chess or reading the paper with a whisky, cognac or coffee.

Our Speakeasy offers a huge breadth of events from a inebriating mix of jazz, soul, country, and classic musical and variety loved favorites. You will be swaying to the beat. For Sure.

Secret hideaway bespoke rooms and cocktail culture, providing cozy nooks to have private conversation, relax, play or misbehave...

Like wine, we believe we get better with age... Our exquisite selection of wines from around the world are stored in our private Cellar meeting room, there's something to discover for every taste bud. Just be sure to leave some for others.

If you're considering applying to be a member, we're less interested in your status, title or what you have, and we are much more intrigued by the makeup of your character, what you're passionate about, your life story, your likes and dislikes, and getting to know what your friends love about you...
